

# TWO THIRDS OF THE CLAIMS CAME AFTER THE ROAD APPLICATION

Active State of Alaska mining claims along the road corridor, by year staked: 5,122 claims on 649,057 acres.

1,063 were staked in June 2020, the month before the first Record of Decision, and 504 in October and November 2025, the five weeks after the permits were reinstated. Active claims only, through Aug. 20, 2026, in a box around the route (157.65° to 149.75° W, 66.50° to 67.66° N); the state draws no official district boundary. 1,548 closed claims aren't shown.
